OPHTHALMOLOGIST AND REFRACTIVE SURGEON

PROFILE

Since 1992, Dr. Mihai Pop had a successful practice in Excimer laser for the correction of myopia and astigmatism with the Visx 20/20B and the Holmium laser surgery for hyperopia. In 1998, he began to use the Nidek EC-5000 excimer laser for myopia, astigmatism and hyperopia. He also performs Laser-Assisted in situ Keratomileusis (LASIK) with the Wavefront technology, blade-free lasik with Intralase, cataract surgery and intraocular lens implantation.

Dr Pop is a recognized authority in refractive surgery, including cataract surgery (phacoemulsification) and intraocular lenses. He has presented many international conferences and has been invited to participate to scientific meetings as a moderator. He has been quoted in *Ophthalmology Times*, *Ocular Surgery News* and *Eye World* regarding his surgical techniques, and has published manuscripts in scientific journals such as *Ophthalmology* and *Journal of Cataract and Refractive Surgery*.

EDUCATION

- | | |
|-------------|-------------------------------------------------------------------------------------------------------------------|
| 1980 | American Board of Ophthalmology USA |
| 1980 | CSPQ in Ophthalmology Specialist Certificate of Ophthalmology, Quebec, Canada |
| 1978 – 1979 | Hôpital Notre-Dame, University of Montreal Surgical Training in Ophthalmology, Montreal, Quebec, Canada |
| 1975 – 1978 | Sherbrooke University Residency in Ophthalmology, Sherbrooke, Quebec, Canada |
| 1976 | Stanford University Basic Science Course in Ophthalmology, California, USA |
| 1970 – 1975 | Université de Sherbrooke M.D. Diploma, Sherbrooke, Quebec, Canada |

SURGICAL EXPERIENCE

- 1992 – present **MICHEL POP CLINICS**
Gatineau/Montreal, Canada (Private practice)
Excimer laser surgery for myopia, astigmatism, and hyperopia. Cataract and
intraocular lens surgery.
Ophthalmologist (1992 - present)
Medical Director (1992 - present)
- 1985 – 1994 **Centre hospitalier régional de l'Outaouais**
Gatineau, Quebec, Canada
Head of Ophthalmology Department (1988 - 1993)
Ophthalmologist (1985 - 1994)
- 1980 – 1985 **Hôtel-Dieu-de-Sherbrooke**
Sherbrooke, Quebec, Canada
Ophthalmologist (1980 - 1985)

PROFESSIONAL MEMBERSHIPS

- 1999 – present Member, Canadian Society of Cataract and Refractive Surgery (CSCRS)
- 1997 – 2002 Member, International Society of Refractive Surgery (ISRS)
- 1985 – present Member, Academy of Ophthalmology (Ottawa Section)
- 1985 – present Member, American Society of Cataract and Refractive Surgery (ASCRS)
- 1980 – present Member, Quebec Medical Association
- 1980 – present Member, Canadian Implant and Refractive Surgery Association (CIRSA)
- 1980 – present Fellow, American Academy of Ophthalmology (AAO)

ELECTED APPOINTMENTS

- 1999 – present President of Canadian Implant and Refractive Surgery Association
- 1995 – present President of the Quebec Association of Refractive surgery
- 1992 – present President, Michel Pop Clinics
- 1992 – 1993 President, Medical Council of the Hull Regional Hospital
- 1992 – 1993 Treasurer, Canadian Association of Photorefractive Surgeons

AWARDS

- February 2009 **2009 Award of Excellence in Ophthalmology**
Canadian Society of Cataract and Refractive Surgery (CSCRS)
Montreal, Quebec, Canada
- October 2000 **Best Paper of Session**
International Symposium of Refractive Surgery (ISRS)
Dallas, Texas, USA
- May 2000 **Achievement Award**
Professional contribution to the
American Academy of Ophthalmology
Academy of Ophthalmology
USA
- April 2000 **CSCRS Lectureship Award**
Vision 2000, 8th Meeting of the
Canadian Society of Cataract and Refractive Surgery (CSCRS)
Toronto, Ontario, Canada
- April 1999 **Best Paper of Session**
Symposium on Cataract, IOL and Refractive Surgery; Meeting of the American
Society of Cataract and Refractive Surgery (ASCRS)
Seattle, Washington, USA
